

VISION STATEMENT. Write your Vision Statement in this box for reference as you parse your goals.

>> Identify **SIX** Goals comprising your Vision Statement, and answer all SMART questions below for each.

GOAL.

| SPECIFIC. | MEASURABLE. | ACTIONABLE. | RELEVANT. | TIME BOUND. |
|---|--|--|---|--|
| <p>What does the idea mean? Have you described it in a way that unambiguously and clearly expresses what will exist when the goal is met?</p> | <p>What has to happen to reach the goal? What metric for measuring progress toward goal does your description of the goal tell you to use?</p> | <p>What does the goal tell you to do to move closer to the goal? Is everything that needs to be done within your power and control to make happen?</p> | <p>What is your mission, purpose, and/or vision that the goal supports? How does the goal support it?</p> | <p>When will you measure progress -- i.e. whether your actions have attained the goal?</p> |
